

# Wyoming All-State Audition Registration Information

- All students auditioning must complete an **online registration** through Bandworld.
- Each student creates an “account” so that their audition recording can be uploaded to that account.
- It is up to each teacher whether to have students register themselves or to do it for them.
- **If students have already used Bandworld, they can use the same account log-in for successive years (email and password required).**
- We recommend using an actual (not made-up) email address so passwords can be recovered if forgotten.
- Information needed to register: name, address, gender, grade level, age, school name, recording site name, instrument or voice part. Click on the Bandworld event link to begin:
